## INTRODUCTION

---

In accordance with the provisions of Chapter 40, Section 49 of the General Laws of Massachusetts, the Milford Board of Selectmen is required to publish this annual report.

Certain information must be included, such as the reports of the School Committee, the Town Accountant and the Town Treasurer. Beyond that which is mandated, however, the Board's objective is to provide within this report information which is of interest and practical value to you, the residents of the Town of Milford.

Departmental narratives contained on the following pages should provide an overview of activities and accomplishments during the past fiscal period. Election results and summaries of Town Meeting actions are also included for informational purposes. Municipal officials, boards and committees, both elected and appointed, are included, as well as a general telephone directory, so that you will know whom to contact for the various services you require. A map of Milford is included, with the locations of municipal buildings, schools and hospitals.

The Board is hopeful that it has been successful in providing a valuable resource to Milford's residents through the publication of this Annual Report, and seeks to improve both format and content in future years. If you have suggestions for such improvements, please write to the Board of Selectmen. Be assured that your suggestions will be given serious consideration.

The Annual Report is printed professionally. Contracts for printing are awarded through the established bid process. The cost of printing the FY84 Annual Report was \$6450. The FY85 Annual Report, with streamlined format, was printed for \$4493.

## BOARD OF SELECTMEN

---

The office of the Board of Selectmen is temporarily located in Milford's historic Memorial Hall, 30 School Street, Milford. You may reach the office by calling 617-473-5115. Current office hours are 8:30 AM-5:00 PM, Monday-Friday.

The Board's regularly scheduled meeting date is 7:00PM each Monday, at the Milford Senior Center, 15 Winter St. Meetings are usually televised over Milford's cable TV channel. A formal record of all action taken by the Board at its meetings (the *Minutes*) is available for public viewing in the office.

The Board acts as the local licensing commission for a variety of licenses, including those required for the sale and consumption of alcoholic beverages, common victuallers, boarding houses, entertainment and amusement, Class I, II and III motor vehicle sales/service, storage of flammable materials, parades, tag days, sidewalk obstructions, movie theatres, and yard sales. License fees are deposited to the general fund of the Town of Milford. During fiscal year 1986, license/permit fees generated \$66,690 in revenue to the Town.

Parking tickets are also payable at the Selectmen's office during normal business hours.

Following are highlights of activities and improvements accomplished during the past year.

### Accounting and Personnel

A purchase order and encumbrance system of accounting adopted last year for departments under the Selectmen's jurisdiction was expanded, by vote of Town Meeting, to encompass all municipal departments. Purchase orders are now required for all expenditures of \$100 or greater. This

system enhances all aspects of budgetary management, provides greater control and accountability of expenditures, and is a reliable basis for forecasting future budgetary requirements.

Uniform personnel absence reporting has also been improved. Data collection features of this program assist the Selectmen in making informed decisions during collective bargaining. Timely absence reporting is a prerequisite for approval of weekly expenditure warrants by the Selectmen.

### Purchasing/Computerization

The Selectmen continue to engage in several cooperative purchasing arrangements, in collaboration with the Milford School Department, the Blackstone Valley Education Cooperative, and the Massachusetts Cooperative Purchasing Program. The Selectmen have also instituted a central purchasing department, from which smaller municipal departments may draw supplies used infrequently (which would be too costly to purchase on an individual basis). The Selectmen continue to achieve success in purchasing quality goods and services at the lowest possible cost to the Town.

The Board of Selectmen, working in cooperation with the Milford School Committee, has purchased increased capacity for the central processing unit located at Milford High School, and fully-computerized accounting, financial and payroll functions will soon be operational. The original target date of July, 1986, could not be met due to the physical limitations of Memorial Hall, where the majority of municipal offices are temporarily located during the renovation of Town Hall, but implementation of computerization is moving along, on schedule, and should be completed by the beginning of 1987.

A uniform budget procedure was first introduced in fiscal 1986,

at the direction of the Finance Committee. The Selectmen/Executive Secretary's office now plays a greater role in the budgetary process.

A grant from the Massachusetts Executive Office for Communities and Development funded a two-day seminar on employee performance evaluation. The seminar was held in December, 1985, and was well-attended by municipal department heads from Milford and surrounding communities. A local *Performance Evaluation Committee* was formed in January of 1986, which led to the development of a uniform evaluation form and process for municipal secretaries and clerks. A *Wage/Classification Study* of municipal positions was authorized by Town Meeting and is currently underway. The recommendations of Olney Associates, Inc., who are conducting the study, will be considered when preparing the budget for fiscal 1988.

### Newly-Established Committees

The Board of Selectmen has approved the establishment and organization of several new committees, including: Committee to Revitalize Main Street, Milford Youth Commission, Government Study Committee, and the Milford Golf Course Study Committee.

### Renovation of Town Hall

In November, 1985, Town Meeting authorized an appropriation of \$1,700,000 for the remodeling of Town Hall, including handicapped accessibility (elevators and ramps), upgrading of electrical service, heating, ventilation, and air-conditioning systems, a sprinkler system, and rehabilitation and addition of office space on the ground and first floors. By January of 1986, the design services contract had been awarded to Mastroianni and McQueen, architects, as recommended by the Designer Selection Commit-

tee. The Selectmen appointed a Renovation Committee to work with the Board for the term of the project; this committee meets on a bi-weekly basis, usually on Wednesdays at 4:30PM at Memorial Hall. Municipal office layouts for both the first and ground floors have been approved, a "Town Square" concept has been developed for public use, a municipal vault will be located on the ground floor, and meeting rooms accommodating small and large groups will be located on both office floors. By the end of Summer, 1986, Barr, Inc., had been awarded the contract for Phase I (Demolition and Clean-out), and bid documents for Phase II (Renovation) were in progress. According to current estimates, a renovated Town Hall is expected to be ready for occupancy by late 1987.

### **Temporary Location of Municipal Offices**

In mid-May, 1986, the eleven municipal departments which occupied Town Hall were relocated to temporary quarters until such time as the newly renovated building would be ready for re-occupancy. The Building/Wiring/Plumbing Department was relocated to the Highway Department facility on Central Street. All other departments were moved to Memorial Hall on 30 School Street, the former location of the Milford Town Library. The move was accomplished ahead of schedule and below the minimal budget set aside for such purpose. Departmental staff have continued to provide the same level of service to the public, despite lack of adequate office space and the absence of most modern office amenities. Prior to the move from Town Hall, all public records were categorized and purged, under the direction of the Massachusetts Department of Public Records.

### **Facilities Management**

As of the end of Summer, 1986, a number of capital improvements and studies have been authorized by the Milford Board of Selectmen. Improvements to police lock-up facilities have been accomplished, and suicide-prevention redesign of detention cells, as mandated and funded by the Commonwealth, are currently underway. An energy audit funded by the Commonwealth is being conducted in the municipal buildings under the Selectmen's jurisdiction — Police Station, Memorial Hall, the Senior Center, and Town Hall. The Senior Center was completely air-conditioned. A new van was purchased for the Dog Control Department. The Soldiers' Memorial project was advertised for bidding; no contract award had been made to date. A traffic feasibility study of several high-volume intersections had been advertised for bidding. The O'Brien Brook improvements project is currently underway.

### **Future Plans**

The Milford Board of Selectmen looks forward to a challenging and productive year in 1987, with emphasis on long-range planning. The Selectmen are committed to the concept of orderly and controlled growth of the Town of Milford, the recognition that change is inevitable, and that such change can be managed to serve the best interest of the Town of Milford and its residents.

## **INSPECTOR OF ANIMALS**

---

Leon J. Mael

This is the report of the Inspector of Animals for the fiscal year ending June 30, 1986.

All cattle and horses in town were inspected and found to be disease free.

Forty-five dog and cat bites were investigated and the animals quarantined. None were found to be diseased.

## **BOARD OF ASSESSORS**

---

The revaluation program conducted by Real Estate Research Consultants, Inc. of Topsfield, MA has been completed. The total valuation of FY86 increased from \$434,650,033 to \$705,082,833, resulting in an increase of \$270,432,800 in value over last year's figures.

Tax rate on real estate and open space decreased from \$20.09 to \$14.08 per thousand. The tax rate for Commercial, Industrial and Personal Property also decreased from \$34.50 to \$24.30 per One Thousand.

The Board of Assessors was pleased with the work performed by Real Estate Consultants, Inc. The percentage of abatements filed for FY86 by the taxpayers in Milford was below the average.

The Board of Assessors is assisted by Rita Abbondanza, Asst. to the Assessors, Barbara McDonnell, Departmental Clerk and Patsy Heath.

## BUILDING DEPARTMENT

# CONSERVATION COMMISSION

The Milford Conservation Commission is responsible for administering the provisions of the Wetlands Protection Act, GLC, 131, Section 40. Enacted in 1974, and amended in 1977 and 1978, this law is designed to prevent damage to our waterways, degradation of our water supply, pollution of ground water and to assure that drainage from proposed development won't adversely affect abutting properties or contribute to flooding.

The Wetlands Protection Act and state regulations gives the Commission the authority to regulate all land disturbing activities within a 100 foot buffer zone adjacent to wetlands. Wetlands are defined as waterbodies, land under waterbodies, and vegetated wetlands which are determined by percentages of wetland variety plant species.

Any person or Town department proposing any land disturbing activity (including filling, grading, dredging within 100 yards of one) must apply to the Conservation Commission. This requirement applies to everyone and includes projects which are on a *homeowner's own property*. If someone is unsure as to whether or not the Wetlands Protection Act applies to their particular project, they may file a Determination of Applicability. In most cases a Notice of Intent, detailing specifics of the proposed project must be submitted to the Commission, with copies to the State Department of Environmental Quality Engineering (DEQE). The Commission Notices are published at least five days prior to the hearing in the Milford Daily Newspaper.

The Commission will issue its findings in an Order of Conditions. Appeals of the Commission's findings are through DEQE and then

the courts. Once an Order has been issued, the permit is valid for three years. Changes in plans or extensions must be approved by the Commission. When the project is completed, the applicant must furnish engineering data indicating that the conditions have all been met. Once the Commission has reviewed the work and is satisfied a Certificate of Compliance is issued. On the document, the Commission may specify that there are on-going conditions to protect the wetland resource area. The certificate must then be filed at the Registry of Deeds in Worcester, MA.

In fiscal 1986, the Commission issued 47 Orders of Conditions. The Commission has the right to stop any project that they feel is in violation of the Wetlands Protection Act and fines up to \$1,000 a day may be levied at the discretion of the Commission for serious infractions.

Commission members are appointed by the Board of Selectmen to three-year terms. Meetings are held the first and third Tuesdays of each month at 7:30 p.m. in the Senior Center. Inquiries may be directed to the Chairman, other members of the Commission or the Town Engineer who reviews engineering aspects of wetland projects for the Commission.

## **COUNCIL- ON-AGING**

---

Owen P. Keenan, Coordinator

The Milford Council on Aging is located at 15 Winter Street, telephone 473-8334.

The staff at the Center consists of a part-time coordinator, an afternoon receptionist (Green Thumb), forty paid and unpaid volunteers in the lunch program, and one paid and one volunteer van driver.

Attendance varies by season at the Center. In the winter months there are socials and parties, regularly scheduled Keep Well Clinics sponsored by the Visiting Nurse Association, and the distribution of butter and cheese every three months. In the spring and summer, interesting trips are planned to nearby places of interest.

Special programs are sometimes planned at the Center, i.e. art classes, seminars by health organizations, free dental clinic, clinics by the Milford Respiratory Association. Free legal advice is also available by appointment.

Our nutrition program, an excellent one, is operated by Tri-Valley Associates, telephone 478-8102. A hot noon meal is served daily. The lunch program, and reservations for the van, require a twenty-four hour notice. The senior van operates Monday, Wednesday and Friday, 10 a.m. to 4 p.m., and Tuesday and Thursday, 9 a.m. to 4 p.m. Occasionally, the van is used to transport residents of the various rest homes to lunch or to some local event. In such cases, the space is limited to 12 handicapped people. Our ramp is convenient for handicapped people when they come to lunch. Normally forty meals are served daily at the Center, and the number of home delivered meals is approximately 100.

The Council works cooperatively with fellow Town departments, i.e.

Highway, Fire, Police and School Departments, along with many State organizations. We are involved with the following State Groups: CEMACA Tri Valley, Green Thumb Program, Massachusetts Department of Elder Affairs, and Region II Area Agency on Aging. Through the years, we have been granted some awards from the State's formula and discretionary Grants Program.

The Center is growing. For our pleasure and enjoyment, new air-conditioning units have been installed at the Center, and the hours at the Center also have been increased. The Center is open weekdays from 9 to 9, Saturday from 9 to 5, and Sunday from 1 to 5 p.m.

Some goals are to extend social services to the elders, and to help find a solution to the parking problem at the Center. The Council hopes to maximize planning, outreach, and program implementation potential—at the Senior Center, and visualize that the program would be able to provide group or case assistance work on site.

## **FAIR HOUSING COMMITTEE**

---

Leonard C. Oliveri, Director

The Town of Milford, through its Board of Selectmen, has approved and continues to support a Fair Housing Action Plan in compliance with guidelines promulgated by the Massachusetts Commission Against Discrimination and in conformance with all State and Federal laws relevant to the provision of equal choice and housing for all individuals.

The Plan is a public document, and available for inspection in the Selectmen's Office. The Plan has been implemented through the efforts of the Fair Housing Committee with the representation from the Planning Board, the Housing Authority and the Community-at-

large. This Committee is charged with and continues to develop a bilingual outreach program to disseminate information, the review of actions of community boards and agencies pertaining to housing, the pursuit of sources of funding for the support of fair housing activities, and the resolution of complaints concerning alleged discrimination in housing through its multi-lingual Complaint Intake Program.

## FIRE DEPARTMENT

The Milford Fire Department consists of the Fire Chief, (1) Deputy Chief, (5) Lieutenants, (32) Firefighters, (4) Call Captains, (21) Call Firefighters and (1) Confidential Clerk.

During the period from July 1, 1985 to June 30, 1986, the Department responded to 1,883 alarms with the breakdown as follows:

Building & Contents	71
Brush	208
Bomb Investigations	6
Chimney Fires	13
Dumpster/Rubbish	35
Electrical Fires	27
False Alarms	107
Investigations	202
Miscellaneous	42
Miscellaneous Fires	22
Oil Burner Fires	17
Sprinklers/Automatic	14
Rescue/Medical	468
Vehicle Accidents	146
Vehicle Fires	65
Local Alarms	241
Lockouts	199

The following inspections and permits were issued in compliance with Chapter 148 of the General Laws:

Ammunition	15
Blasting	167
Burning	310

Cooking Fires	2
Fireworks	1
Flammables	56
Inspection of Medical Homes and Hospitals	28
Oil Burners	138
Smoke Detectors	666
Tank Removal	11

The situation that the Milford Fire Department finds itself in at this time is a very difficult one.

The present stations are totally inadequate to house the apparatus that we presently operate, 6 (six) of which are stored outdoors, and with the increased demand for our services more units must be added.

The office area is cramped, with the Chief and Confidential Clerk sharing the same office, making any closed door meetings with personnel extremely difficult. The Deputy Chief and Inspector are forced to use a desk in the Crew's Quarters, which makes confidentiality nonexistent.

A new central fire station has been recommended by various insurance rating bureaus for the last 40 (forty) years, proposals have been made to the Town Meeting for years by previous Chiefs' to no avail.

There is no choice but to build a new central station this year. We must add more equipment and personnel now.

In tune with the new station need, is an updating of the fire alarm system components, which are loaded beyond capacity now and the need for a modernized dispatching system, which now is comprised of 4 (four) telephones and a shelf along a wall on the apparatus floor level.

Additional supervisory personnel must be added in order to increase the training of the crews to lessen the chance of liability to the Town, inspections of properties on an ongoing basis, utilizing On-Duty Crews, better supervision of Commercial and Industrial locations, plus round-the-clock availability of

chief officers at a moment's notice.

All in all, the Milford Fire Department has been left in the past. Now is the time to bring it into the future. Milford is growing, with Residential, Industrial and Commercial areas that were unthought of a few years ago. The businesses that are moving into the Town expect service from the Public Safety Sector, as well they should, after investing millions of dollars in buildings and equipment.

The Fire Department must be there to serve the Citizens and Businesses of Milford to the best of its ability, with modern equipment and the best trained men possible.

## COMMISSION ON HANDICAPPED

At a special town meeting on February 25, 1985, it was voted to establish a Commission for the Handicapped.

It is the function of the Committee to:

- (A) Act as a centralizing force in the Town of Milford and the community to deal with all handicapped issues: providing information, referral, guidance, coordination, offering and providing technical assistance to other public agencies and private persons, organizations and institutions engaged in activities and programs intended to eliminate prejudice and discrimination against person(s) with handicap(s) because of their status as a person with a handicap or as a minority person with a handicap.
- (B) Take such action as the Commission considers appropriate to insure the equal status of person(s) with a handicap(s) of every race, creed, color and national origin, age and sexual preference.

(C) Assure that no otherwise qualified individual with a handicap in the Town of Milford shall, solely by reason of his or her handicap, be excluded from participation, be denied the benefits of, or be subjected to discrimination under any program or activity within the Town of Milford.

The Commission is currently in process of reorganization, under the direction of its Chairman, Leo Curran, and plans to exert a more active role in the future.

## **BOARD OF HEALTH**

The following report is a summary of the Board of Health's responsibilities and activities for the past fiscal year. Gerald Hennessey was elected Chairman. Other members are J. Fred Power and Kenneth C. Evans. Kenneth Evans also served as President of the Central Mass. Associated Boards of Health. Mrs. Susan Biagetti who served as school nurse for the Milford Catholic Elementary School resigned and Mrs. Lisa Lewis was appointed to replace her. Mr. Michael Catalano resigned as Health Inspector to accept a full-time position with the Hopkinton Board of Health. The Board also accepted the resignation of Joseph Champagne, Agent in charge of septic systems and appointed Michael Santora, Town Engineer to take over his duties. The Board would like to thank Mr. Champagne for the excellent service

he gave the town and wish he and his partner, John Bertorelli well in the future. Mr. Paul Mazzuchelli, Registered Sanitarian is the Health Officer for the town of Milford and in charge of all activities.

### **Food Service Establishments**

John Consoletti, Health Inspector is in charge of inspecting food service establishments which include restaurants and lounges, school cafeterias, day care centers, nursing homes, bakeries and private clubs. Last year they were inspected four times to insure protection for patrons and conformity to the State Sanitary Code, Chapter 10. There are 80 food service establishments in town.

### **Housing Inspections**

The Board provides inspections in answer to complaints of tenants, landlords and other departments that provide housing. These inspections are conducted to determine whether violations of the State Sanitary Code, Chapter II, entitled "Minimum Standards of Fitness for Human Habitation" exist. Any violations found must be corrected to the satisfaction of the Board.

### **Rabies Clinic**

A Rabies Clinic is held annually in April by Dr. Richard Heller, DVM. All dogs must be vaccinated against Rabies before their owner may have them licensed.

### **Gas Inspections**

Gas Inspectors Phillip Morin and Joseph Pighetti are responsible for the inspection of all gas installations, both residential and commercial. Permits for all gas work must be taken out at the Board of Health by licensed gas fitters.

### **Mosquito Control**

The town of Milford is sprayed once a week during the summer months by the Central Mass. Mosquito Control Project. During this time the Board of Health also supplements this program with their own spraying program.

### **Nursing Services**

The Board continued to contract with the Visiting Nurse Association to provide nursing care to the townspeople. The Agency provides a health clinic program which includes Well Child Clinics, Health Screening and Education Clinics, and Influenza Clinics. They provide therapeutic services to individuals who elect to pay privately on a sliding fee scale; a limited number of free home health visits as well as the free clinics. The home health services include skilled nursing, home health aides, physical therapy, occupational therapy, speech therapy, and when available, social services.

### **School Nurse Program**

The functions and responsibilities of the school nurse include assessment and evaluation of student's health, vision screening, hearing testing, fluoride program, arranging for and assisting with physical examinations and keeping of records. She is in attendance two days a week at Milford Catholic Elementary School.

### **Residential Rubbish Pick-Up**

The Board of Health is the administrative agency for solid waste disposal and collection. This past year was the first year with the Blackstone Valley Disposal Service of Blackstone, MA. In addition to the residential pick-up the Board maintains a transfer facility on Cedar St. which is available to

residents to dispose of certain items that the disposal services will not take curbside. This facility is open three days a week with an attendant in charge.

### Sub-Surface Sewage Systems

The Board of Health supervises the soil tests and installation of all septic systems in the town. Permits must be taken out at the Board and Mr. Santora, P.E. RLS, is in charge of inspecting all phases of the installation. The Board's policy is strictly enforced.

The Board was saddened by the passing of Dr. Nicholas Capece in June. Dr. Capece served as Chairman of the Board of Health for twenty-five years. He was a dedicated physician and citizen, and we would like to express our sympathy and thanks to his family at this time.

## HIGHWAY DEPARTMENT

The Department's general maintenance work continued as usual. Crews patched and cleaned basins, hot topped various locations, swept streets and sidewalks, repaired equipment, cut brush, chipped brush, cleaned debris from roadsides and brooks, repaired walls at various locations in the brooks, replaced street and square signs, replaced traffic signs and installed new traffic signs at several locations, painted crosswalks and traffic lines and assisted all other Town Departments when necessary.

The Highway Department operated with 20 employees:

- 1 General Foreman
- 2 Working Foremen
- 1 Master Mechanic
- 1 Heavy Equipment Operator with Backhoe License
- 11 Heavy Equipment Operators

- 3 Light Equipment Operators
- 1 Light Mechanic

The Office consists of Highway Surveyor and Assistant to the Highway Surveyor.

During the past fiscal year the following projects were completed:

### Resurfaced with Bituminous Type I Concrete:

- West Pine St.—450'
- Mt. Pleasant St.—from Beach St. to Pole No. 1—770'
- Grove St.—from So. Bow St. to So. Main St.—2,050'
- Hayward St.—from E. Main St. to Mt. Pleasant St.—2,222'
- Purchase St.—from Ivy Ln. to Tyler, Tyler to 269 Purchase St.—4,145'
- Forest St.—from Grove St. to So. Main St.—354'
- Reservoir St.—300'

### Drainage:

- Naple St.
- Princeton Dr.

### New Sidewalks:

- Spruce St. at New Library
- Grove St.
- Prospect Hgts.

Reconstruction of Highland St. began in March. We removed trees, put in drainage, excavated. Work is continuing and should be completed by the end of the 1987 Fiscal Year.

The Highway Department was busy in Sept. and Oct. and Nov. cleaning up after Hurricane Gloria. We removed felled trees, uprooted stumps, repaired damaged sidewalks and streets. This work lasted 3 months.

### Tree Department:

We calculated a loss of 80 Crimson King Maples during Hurricane Gloria. This loss occurred on Congress St., Esther Dr., Highland St., So. Main St., Water St., West St., Dilla St. and Purchase St.

### Grounds Division:

We sodded 12,000 sq. ft. at the Brookside School and installed new shrubs. Repairs were done to the Soccer Field at the High School and the Woodland School Baseball field. Reseeded all the fields at various schools.

### Snow Removal:

The winter was one of the mildest ones we've had. We plowed two times and we salted and sanded a total of 23 times.

## HISTORICAL COMMISSION

Boy Scout Troop 18 assisted in dismantling the historical museum. All artifacts and memorabilia will remain in storage during the relocation of town offices at Memorial Hall, and the renovation of Town Hall. Historical commissioners will meet in the homes of its members during the renovation period.

Upon the completion of Town Hall renovation, the Historical Commission will return to the former reference room of Memorial Hall. The Cultural Committee, formed by the Selectmen to study the future use of Memorial Hall, has granted the Historical Commission space in this area of the building. The Commission anxiously awaits the reopening of its office and museum in the Memorial Hall Cultural Center.

Artifacts donated to the historical museum continue to enhance Milford's heritage. Recently the etched plate of Otis Parkhurst, used in Rev. Adin Ballou's *History of Milford*, was donated to the historical museum. Also a marriage certificate signed by Rev. Adin Ballou was donated by Nancy Nogueira of Milford. Two Milford films were presented to the Commission: Michael Bavaro pre-

sented "Milford, Book II," a film he directed and produced. A film on hurricane *Gloria* was also presented to the Commission by Colonial Cablevision of Milford.

Slides of historic happenings were featured at our annual open house in November. A grant from the Arts Lottery was applied toward the reproduction of these slides. The Arts Lottery of Milford assisted the Commission with this project. The slide show will remain with the Commission and continue to foster an historical awareness through the years. The Commission is also grateful to Michael Bavaro for featuring his film "Milford, Book II" at our annual open house program.

The Commission continues to direct the restoration of the North Purchase Schoolhouse with the help of volunteers and donations. This one-room brick schoolhouse is open to the public several times each year.

The Commission is presently coordinating the restoration of the World War II Howitzer on the grounds of Memorial Hall. This project is scheduled to be completed by the end of 1987. An application for the National Register of Historic Places has been requested by the Commission. An application for Draper Park, a memorial to General William F. Draper, will also be submitted to the State Committee for consideration on the National Register.

Members of the Historical Commission are using the latest techniques to preserve documents, prints, and maps. A preservation workshop in Dedham provided valuable training to historical commissions and societies in the Commonwealth.

## MILFORD TOWN LIBRARY

---

Sondra Vandermark, Director

On December 18, 1985, the Milford Town Library in Memorial Hall closed. The move of library materials occurred on Saturday, December 21, 1985. Library staff, friends, Cub Scouts, Boy Scouts and other interested persons came on a cold grey day to carry heavy boxes of books from Memorial Hall to the new Milford Town Library. Approximately 70 people helped with the move, saving the town over \$4,000.00 in moving expenses.

On Monday, January 13, 1986 the doors of the new library facility opened at 9 a.m. Over 600 people came the first day. The excitement was wonderful. The hard work was worth it. The townspeople continue to express excitement and enthusiasm over the new building.

Although the building opened without fan-fare in January, an exciting dedication was held on Sunday, April 6, 1986 at 2 p.m. Planned for outdoors, with a hot-air balloon, a large buffet, and an open invitation to the community, the weather, unfortunately, did not cooperate. However, approximately 700 people managed to crowd into the building to hear the school band, speeches by local dignitaries and Pulitzer Prize winning author Jimmy Breslin. Mr. Breslin said, "The national standard used to be the ability to assist . . . To pay dues to your children with a building like this. It's a beautiful place and you're to be congratulated on it, all of you, on what you have done here. I walk into libraries . . . and it's an absolute pleasure to go and I see the old American standard at work . . . assist . . . help a kid look up something . . . the kid is gong to learn. It is one of the most comforting experiences you can have." The

local cable company video-taped the festivities which were shown several times during the following week because of popular demand.

Fiscal year 86 was a period of great growth for the staff of the Milford Town Library. Two professional librarians joined the staff in July. Mary Frances Best joined the reference staff on a part-time basis on July 1, 1985. Lois McAuliffe was appointed Children's Services Librarian on July 15, 1985 with the responsibility of overseeing the children's section of the library. Phyllis Green was appointed as Assistant Librarian in charge of circulation beginning August 14, 1985; Barbara La Conte was promoted from Associate Librarian to Assistant Children's Librarian on August 12, 1985; Irene Conrad was appointed Assistant Young Adult and Reference Librarian on September 3, 1985; and Merrily Sparling was appointed Assistant Reference Librarian on September 3, 1985. George Daoust was appointed to the Senior Maintenance position on August 26, 1985; Kevin Kellet was appointed to the Junior Maintenance position on September 15, 1985. Nancy Lander was appointed Library Clerk on July 21, 1985; Jocelyne Noyon-Bisiccia was appointed Library Clerk on November 18, 1985; and Michelle De Orsey was appointed Library Clerk on January 1, 1986.

Once the new library was open, the staff worked diligently to complete the C/W MARS automation project, in order to go online as quickly as possible with the circulation terminals to handle the increased library circulation. From July 1, 1985 through December 18, 1985 library circulation was 19,250. From January 13, 1986 through June 30, 1986 the circulation was 52,822. The total circulation for Fiscal 1986 was 72,072. Book circulation for Fiscal 1985 was 51,237. The popularity of the new library is shown in a 20,835

increase in circulation over the previous year, in spite of the fact that the library was closed for three and a half weeks.

From the third week in February each library patron was re-registered with a new "credit card" type of borrower card. On April 1, 1986 the Milford Town Library became a circulating library in C/W MARS, a library network of 32 public and academic libraries with a combined book collection of approximately 4 million volumes. The first month was difficult for library patrons and for library staff because too many books were not yet part of the library's data base or library patrons didn't have the new borrower card yet. However, because of a fine staff effort and excellent public cooperation, by the end of June matters were going smoothly.

Increased library circulation was one of the results of increased attendance in the library. During the 140 days the new library was open 61,793 library patrons visited the building. This is an average of 441 patrons each day (as compared to a fiscal year 1985 daily average of less than 80 patrons).

Because of the closing of Memorial Hall and the move into the new Library, no fines were collected for most of December and all of January. In spite of that fact, \$3,809.24 was turned back to the General Fund for Fiscal Year 86.

Although the library staff spent much of the time from July through December, 1985 planning for the new library, there were some programs for children held at Memorial Hall during that time. Story hours, crafts and special events for Summer Reading drew approximately 800 children to the library programs. However, once programs began in the new Milford Town Library, library attendance sky-rocketed with more than 1200 students participating in tours of the facility, approximately 1100 sharing storyhours, with a

total of more than 3080 children attending some program at the library in the first six months of operation.

Adults and young adults asked 5,369 Reference questions between January 13 and June 30, 1986 up from 859 between July 1 and December 18, 1985. Adults also participated in varied programs such as tax workshops, stress management, and movies. The first annual Black History Jazz Concert drew a standing room only audience of about 160 fans. The meeting room was used by community groups more than 40 times.

Community support for the new library has been impressive. An expanded book budget has enabled the library staff to continue the development of an excellent book collection. In Fiscal Year 1986 5,833 books were added to the collection. Some of the materials were purchased through gifts to the Book Fund of the Milford Town Library.

The Staff and Trustees of the Milford Town Library are pleased with the enthusiastic support of the Milford community, and welcome suggestions from patrons for possible library services to the community.

## **OFF-STREET PARKING COMMISSION**

---

The Off-Street Parking Commission held 11 meetings from July 1, 1985 to July 1, 1986. Several of these meetings were held in conjunction with the Parking Lot Improvement Steering Committee, which was responsible for overseeing parking lot improvements in parking lots one, two and three. By adding parking lot number three to the town parking system, parking capacity was increased from 145 to 295 parking spaces, an increase of 150 parking spaces.

Work was completed by Pavao Construction Co., the general contractor, by June 1, 1986. Work included a new parking layout, shrubs, trees, new meters, hot top, guard rails and fencing.

The Commission, Town Planner Martin Cohen, and Town Engineer Michael Santora, were closely involved in the successful completion of this project.

## **OFFICE OF PLANNING AND ENGINEERING**

---

Michael Santora, P.E.  
Town Engineer

Martin Cohen  
Town Planner

The Town Engineer serves as engineering consultant and the Town Planner serves as planning consultant to all Town departments with primary responsibility to the Board of Selectmen, Planning Board, and Conservation Commission.

The tremendous economic growth of the Town is continuing and surpassing what was experienced in 1985. Residential, commercial and industrial construction is proceeding at a record pace.

Seven new residential subdivisions and one planned residential community have been approved and are under construction.

Numerous new commercial enterprises and several major industries have decided to make Milford their home.

This office is responsible for the review of all proposed developments in town and makes recommendations to the Planning Board and Conservation Commission as to their impacts, and negotiates public improvements in association with site developments.

It is also the responsibility of this office to follow these pro-

jects through construction and handle problems which may arise, and to seek and administer State and Federal grants in connection with planning and development.

The major projects this office has been involved with in the past year are:

- Completion of off-street Downtown parking.
- Completion of Beaver Street access road and planning for Birch Street access road.
- Route 109 widening and Route 109 Bridge Removal.
- Construction of Fortune Boulevard.
- Completion of traffic signals at four intersections through the Federal Aid Signal Update Program.
- Godfrey Brook Phase I design.
- Construction of new recreational facilities at Edward's Field and Depot Street.
- Town Hall Renovation.
- Cedar Swamp Pond restoration study.
- Town Park Phase II improvements.

## **PARK DEPARTMENT**

Town Park was re-dedicated at a ceremony held on June 22, 1986. Thereafter the first full season of athletics was scheduled at the new Town Park. New fencing, back boards, benches and a flag pole have been installed.

Major repairs were done at the municipal swimming pool at Fino Field.

The 1st phase of new bleachers at Fino Field has been installed and the parking lot has been hot-topped.

The plan to restore and beautify Draper Park has been started.

Maintenance work was done on all parks, fields and areas under the jurisdiction of the Park Dept.

Future plans include Phase II at Town Park, the 2nd phase of new bleachers for Fino Field and completion of restoration of Draper Park.

Park Commissioners meet weekly on Tuesday evenings.

## **PERSONNEL BOARD**

The Personnel Board is responsible for setting Wage and Salary Levels of any new employee and the classification of any person seeking employment in the Town of Milford.

The Board also reviews salaries, salary structures and job descriptions required by law. The Personnel Board meets approximately twice a month and more often preparing Article 2 for Town Meeting.

Salary structures are prepared by the Personnel Board, under Article 2 of the annual Town Warrant subject to Town Meeting approval.

The Board meets with any town employee that falls under its jurisdiction, with the approval of the Department Head. The Personnel Board also mails information to numerous towns requesting salary and job descriptions for comparison.

The May 1986 Town Meeting voted to approve substantial revisions to the Personnel By-Laws, as presented by the Personnel Board with the assistance of Town Counsel.

## **PLANNING BOARD**

The Planning Board meets regularly on the first and third Tuesday of each month. Special meetings are scheduled as required by the volume of work to be processed. The board is presently meeting at the Senior Citizens' Center at 15 Winter Street and meetings commence at 7:30 P.M. All meetings are posted at the office of the Town Clerk, as required by law, and dates and times of our meetings may be confirmed by consulting the meeting notices.

The Planning Board's statutory authority embraces the following procedures:

Processing of subdivision of land.  
Site Plan Review hearings leading to construction of buildings and for use of land.

Granting of Special Permits for Housing for the Elderly and for Planned Residential Communities (condominiums).

Reviewing petitions for variances and special permits submitted to the Zoning Board of Appeal for recommendations to the Z.B.A.

Conducting public hearings for Chapter 121A Tax Agreements with subsequent recommendation to the Board of Selectmen.

Conducting public hearings for proposed zoning amendments to the Town's Zoning By-Law.

Reviewing amended road layouts of public ways for recommendation to Town Meeting.

Reviewing and approving acceptance of streets into the Town's public ways, with recommendation to the Town Meeting.

Residential, commercial and industrial development continued unabated during FY 1986 and increased over the previous year. The perpetual inventory of subdivision

lots already approved and of public street frontage lots available for construction of residential uses was compiled as of June 30, 1986. On that date 456 lots were eligible to obtain building permits. The number of dwelling units (single and two family) eligible to build on the approved lots totals 680 dwelling units. In addition, subdivisions containing 89 lots are in process and pending approval.

During FY 1986 the Planning Board processed 43 Variances and Special Permits; held 20 public hearings for Site Plan Review; processed 25 Waivers from Site Plan Review; conducted 6 public hearings for amendments to the zoning by-law; processed 11 Preliminary subdivision submissions; processed and held public hearings for 6 Definitive subdivision plans; conducted a public hearing and processed a 74 unit Planned Residential Community; reviewed and signed 63 81 - P plans; conducted two public hearings for amendments to the Rules & Regulations of the Milford Planning Board.

The following subdivisions were approved during Fiscal Year 1986:

Presidential Estates		
Off West and Taft Sts.	16 Lots	
Woodridge II		
Off Woodridge Rd.	15 Lots	
Round Tower Estates		
Off Purchase St.	6 Lots	
Ahearn Estates		
Off Congress St.	22 Lots	
Overlook Estates		
Off Purchase St.	6 Lots	
Bear Hill Estates		
Off S. Central St.	13 Lots	

The Planning Board collected \$12,620.00 in submission fees which was placed in the General Fund.

## PLUMBING INSPECTOR

The following is a breakdown report of the Plumbing Permits issued for the Fiscal Year ending June 30, 1986:

New dwellings and other buildings	154
Renovations	78
Replacements	146
Boiler Connections	26
Total Permits Issued	404

Total collected fees and turned over to Town Treasurer: \$15,700.

## POLICE DEPARTMENT

The following equipment, vital to the operation of the department, has been instituted this year:

1. Dictaphone Recording Machine, taping all telephone, radio transmissions and call box conversations.
2. An additional twelve new portable radios.
3. Audio-Video cameras for all lock-up facilities, booking and guard rooms.
4. Addition of one cruiser to our fleet.
5. Radar units for each patrol vehicle.
6. New Intoxilyzer obtained with state funds, obtainable with assistance from Representative Marie Parente.

This past year has been one of intensive training. Officers have attended numerous seminars and classes for recertification, retraining, and Sgt. Alfred R. Bacchiocchi instructing in-service training on a daily basis.

Sgt. Earl C. Wagner, Jr., Juvenile Officer, working in conjunction with school officials, has made tremendous progress in assisting children in need of counseling.

The auxiliary force has been reinstated after some years of inactivity. Lt. Anthony DiGirolamo is in charge, and Captain John Ferrucci heads the unit. This unit will be an asset in times of disaster or large community affairs.

The Milford Rotary Club donated an audio, visual and monitor camera equipment, which has been beneficial in training and investigative work.

## MILFORD SCHOOL COMMITTEE

---

Thomas M. Cimino  
Superintendent of Schools

The 1985-86 school year was the year of implementation for both the writing program and computer education. All students in grades 3-8 used the computer labs at least once a week to learn logo, word processing and subject matter. High school students used computers to learn current events as part of the Time/IBM "Cover Maker" program, science, accounting and word processing in addition to computer programming.

Five writing specialists taught students to integrate the "writing process" into existing English/Language Arts courses in grades 1-12. The *Milford Daily News* published unedited, student compositions as part of the Kaleidoscope program, while Colonial Cable Television aired discussions of Japanese style, Haiku poetry with selected students and their teachers. The Memorial School's creative writing program was recognized as a "Center of Excellence" by the National Council of Teachers of English.

Directors, department heads and selected teachers were trained to implement the Madeline Hunter model to improve teacher effectiveness. All other teachers will be trained in the model during the coming year. The prestigious Teacher of the Year award was presented to Janice Cloutier (Elementary), Irene Pagnini (Middle) and James McCallum (High School) in recognition of outstanding con-

tributions to the quality of education in the Milford schools.

Milford High School was awarded the Sportsmanship Award by Midland League Principals' Association. This award was voted on by all team members of every school participating in the league.

Seniors in the Class of 1986 upheld the Milford tradition of being accepted at the finest colleges in the nation, such as M.I.T., Harvard, Boston College, Tufts.

Special Features of Milford High School included:

- Advanced Placement in European History, American History, Calculus, Biology and Physics
- Extended Curricula and Internships
- Dean Jr. College Honors Program
- After-school enrichment programs
- Early release work-study programs
- Extensive theater, instrumental and choral activities
- Summer school for remediation or enrichment
- Extensive Adult Education Courses
- Campus Center for Northeastern University Continuing Education Courses
- Test Center for College Board Examinations, NLN tests and G.E.D. tests
- Annual Booklet of local scholarships
- Full-time Media Center Director
- National Honor Society for selected Juniors and Seniors

Special Features of Milford Middle School included:

- Reading is a major subject which meets every day.
- Students are prepared for advanced placement in the high school in the areas of Math and Foreign Language.
- The school(s) are broken down into eight (8) little schools, known as clusters.

- Students participate in a maximum of three (3) field trips per school year.
- Energetic, enthusiastic and dedicated staff.
- Several programs which motivate students to achieve academically. (i.e.—Principal's List, Student of the Week, Letters of Recognition, Cluster Awards Programs)

Chapter I programs were conducted in reading at the elementary level and in math at the secondary level.

Bilingual programs were conducted at the elementary level with the emphasis shifting to English as a Second Language (ESL) in grades 6-12.

A full range of Special Education services was offered for special needs students 2½ to 22 years of age.

### **THE MILFORD COMMUNITY SCHOOL USE PROGRAM**

Louis J. Celozzi, Director

The past year has proven to be a most enjoyable and successful one for the Milford Community School Use Program. Program offerings were again well-attended and, hopefully, proved satisfying to the members of the community.

After renovations, residents again were able to enjoy the beautiful Milford High School Pool with a complete and comprehensive program for all for the entire season. We look forward to the implementation of our new membership plan that should prove to be even more exciting.

The Milford Community School Use Committee, the 12 member advisory committee, meets on the second Monday of every month in the Teachers' Resource Center at Milford High School.

Some of the programs include:

- Baseball Camp
- Basketball League
- Community Summer Camp
- Gymnastics Program
- Pre-K Summer Program
- Soccer Clinic
- Special Needs Camp
- Tennis Camp
- Weight Training Camp

- Co-Ed Volleyball Program
- Girls Volleyball Program
- Youth Wrestling
- Biddy Basketball League
- Itty Biddy Basketball League
- Men's Basketball League
- Over-30 Basketball League
- Ward Hill Ski Program
- Pool Program
- Adult Education Program
- M.H.S. Open Gym Program
- M.S.E. Open Gym Program
- Adult Tennis
- Golf Program

Residents' suggestions and ideas for new programs are always being solicited. Please call the Community Program Office with any ideas.

I would like to again extend my appreciation to the Milford School Committee, the Superintendent of Schools, the Milford School Department and the other Town boards and agencies for their support and cooperation during the past year.

The twelve (12) member Milford Community School Use Committee continues to support a comprehensive and enjoyable program for all residents.

### **SEALER OF WEIGHTS AND MEASURES**

Ernest M. Panorese

In compliance with the provisions of Massachusetts General Laws, Chapter 98, Section 41, as amended, all persons have been notified that scales, pumps and necessary devices for the purpose of buying and selling goods are to be tested, adjusted, and, if necessary, sealed. Following such notification, all places of business in the Town of Milford have been inspected.

Fees generated from sealing the above-mentioned devices are returned to the Town of Milford. During the fiscal year ending June 30, 1986, \$384.60 was collected and deposited to the Town's general fund.

Inspections: 108 Sealed Gas Pumps  
11 Oil Trucks  
128 Scales

### **THE SEWER COMMISSIONERS**

The Board of Sewer Commissioners is pleased to report to the residents of the Town of Milford that the new Wastewater Treatment Facility commenced operation on June 4, 1986. After two and one-

half years of effort by the General Contractor (The Barletta Company). eighteen filed sub-contractors and hundreds of other sub-contractors and suppliers, the Facility is now treating wastewater.

The Contractor and our Consulting Engineer continue to test and start-up the many pieces of equipment which have been installed in this complex Treatment Facility.

The Sewer Department has moved into its office in the new Administration Building and the Board of Sewer Commissioners is now holding regular meetings at the new Facility.

The Board is currently organizing all the information on existing sewer connections for use on the new computer system at the Facility, so that the Board may better serve the needs of the Town's residents.

The Board has submitted a report by our Consulting Engineer to the Commonwealth's Department of Environmental Quality Engineering (DEQE) on the proposed methods for upgrading our present sewer collection system. We anticipate that DEQE will offer the Town grant funds for the construction of improvements to the sewer collection system which will help us meet the needs of our growing community.

## COLLECTOR OF TAXES

The office of the Tax Collector is responsible for the collection of all municipal taxes due the Town of Milford which includes Real Estate, Personal Property and Motor Vehicle Excise taxes.

As Collector of Taxes for the Town of Milford, I am pleased to report that we ended fiscal year 1986 in what must be considered excellent financial condition.

The outstanding balance for fiscal 1986 property taxes was only 3.8 percent of the original levy and the percentage outstanding of the previous year's levy was only a fraction of one percent.

The Tax Collector is assisted in the discharge of his duties by Deputy Tax Collector Joan San- chioni, Paula Fortin and Jeanne LeBlanc, who recently replaced Dorothy D'Errico, who resigned in June.

## THE TRUSTEES OF VERNON GROVE CEMETERY

The Trustees of Vernon Grove Cemetery submit the following report for fiscal year ending June 30, 1986. Sale of Lots total 67 for this year and interments total 40.

A reorganization was held May 7, 1986, at which time it was voted to retain the same slate of officers.

## DEPARTMENT OF VETERANS' SERVICES

The first veterans' benefit on record was enacted by the Pilgrims of Plymouth Colony in 1636, which provided that any soldier injured in defense of the colony "shall be maintained completely by the colony during his life". Since that time, the concept of benefits was established.

The Milford Veterans' Service Department is privileged to help veterans and their dependents obtain benefits. All veterans, especially the Vietnam Veterans, as well as their dependents, must be afforded the opportunity to apply for and receive benefits for which they are entitled.

There are benefits and services accorded to veterans and their dependents. These benefits relate

to food, clothing, shelter and medi- cal care. Services also include, filing for VA Compensation, Pen- sions, Hospitalization, Education, Out-Patient medical care, Rehabili- tation, Counseling and various other benefits.

Over 50% of the population will directly, or indirectly be involved with our veterans' program.

Veterans' Benefits under Chapter 115, of the General Laws of the Commonwealth of Massachusetts, is paid by the community of resi- dence and reimbursed by the Com- monwealth of Massachusetts at a rate of 75%. Federal VA Benefits under Title 38 of the Federal Statute, is paid directly to claim- ants and this reflects a great savings to the local taxpayer.

Certain basic requirements es- tablished by law for veterans financial assistance in time of need are:

- Residence in the Commonwealth of Massachusetts
- Discharge under honorable con- ditions, and
- Financial need.

Veterans, or dependents can apply to local or district Veterans' Service Offices.

Veterans' Service is a ONE STOP CENTER for all Veterans' Benefits Programs.

The Veterans' Service Depart- ment and our veterans will be faced with the following challenges in the coming year.

Medical care for the aging veter- an, and Gramm-Rudman-Hollings reductions in the Veterans Ad- ministration Budget.

ARTICLE 18: Voted that the Town authorize the Selectmen to petition the General Court for Special Legislation enabling the Town to establish self-insurance claims fund or funds and which Special Legislation would provide substantially as follows:

Be it enacted, etc. as follows:

Section 1. Notwithstanding the provision of any law to the contrary, Town of Milford may, by vote at a Town Meeting, establish and maintain a liability claims and insurance fund from which may be paid claims against said Town for injury or loss of property or personal injury or death for which said Town may be liable and from which may be paid the premiums for any liability insurance deemed necessary as part of an overall program of self-insurance. Said Town by a vote at a Town Meeting, may appropriate for such fund an amount not exceeding in any one year one-twentieth of one percent of the equalized valuation. Said fund shall be managed and administered by the Treasurer of the Town under the direction of the Board of Selectmen. Said Selectmen may appropriate from such fund, including the income thereof, such sums as may be necessary for the purpose of paying claims, proper charges for insurance deemed necessary, and defense against such claims.

Section 2. Said Town may also establish a municipal buildings and property insurance fund and may appropriate in any one year an amount not exceeding one-twentieth of one percent of its equalized valuation, from which any municipal buildings or other municipal property damaged or destroyed or lost by fire, lightning, vandalism, burglary, theft or otherwise, may be repaired, rebuilt or replaced by other buildings or property to be used in place thereof; but no money shall be appropriated for such purpose while the fund equals or exceeds one percent of such equalized valuation. Said fund shall be managed and administered as in Section 1 above and the assets may be combined for investment purposes with the assets of any fund created under said Section 1.

Section 3. This act shall take effect upon its passage.

or take any other action in relation thereto.

# **ANNUAL TOWN MEETING**

MAY 14, 1986

## **TOWN OF MILFORD COMMONWEALTH OF MASSACHUSETTS**

WORCESTER, ss:

To either constable of the Town of Milford in said County,

### **GREETINGS:**

In the name of the Commonwealth aforesaid, you are hereby required to notify and warn the Inhabitants of the Town of Milford, qualified by law to vote in Town Affairs, to meet in the David I. Davoren Auditorium of the High School, 31 West Fountain Street, on the 14th day of May, 1986 A.D. at 7:30 P.M. and then and there to act upon the following articles:

ARTICLE 1: To hear and act upon reports of all Town Officers and Committees of said Town.

### **TOWN OF MILFORD, MASS. BOARD OF SEWER COMMISSIONERS REPORT TO THE 1986 ANNUAL TOWN MEETING**

The Board of Sewer Commissioners is pleased to report to the Town Meeting members that the construction of the new Wastewater Treatment Facility is near completion. After two and one-half (2½) years of effort by the General Contractor (The Barletta Company), eighteen (18) filed sub-contractors and hundreds of other sub-contractors and suppliers, the Facility will begin treating wastewater shortly.

The Contractor and our consulting engineer are currently testing the many pieces of equipment which have been installed in this complex treatment facility. There are several items of work remaining to be finished such as demolition of portions of the existing treatment plant, final painting, clean-up, landscaping and electrical work; However, none of these items of work should delay the start-up of the new Facility.

The Sewer Department has moved into the Office of the new Administration Building and the Board of Sewer Commissioners has held their first formal meeting at the new Facility.

The Board is currently organizing all the information on the existing connections to the Town's sewer system for use on the new computer system at the Facility so that we may better serve the needs of the Town's residents.

The Board has recently submitted a report by our consulting engineers to the Commonwealth's Department of Environmental Quality Engineering on the proposed methods for upgrading our present sewer system. We anticipate that we will hear shortly of the outcome of their review and we trust that they will approve grant funds for the construction of improvements to the sewer system which will help us meet the needs of our growing community.

THE BOARD OF SEWER COMMISSIONERS

John E. Bird  
James V. Melanson

# MILFORD FIRE STATION

May 12, 1986

The Fire Station Building Committee has been actively researching the most feasible site for a new station, based upon demographics of fire calls over the past five-plus years. This listing of incoming fire calls, compiled by Mr. Hennessy for the period July 1, 1979 - December 31, 1984, clearly identifies several critical areas in Milford.

The Committee investigated suitable parcels of land (approximately 2 acres would be required) on North Vine Street, Sumner Street and Highland Street, before coming to its final decision.

RECOMMENDATION: The Committee recommends that a new Fire Station be constructed at the intersection of Congress and West Fountain Streets, with egress to each street. The Town will be required to negotiate for acquisition of the land from its current owners, the Milford Water Company. Long-range recommendations are to augment this central fire station with a manned satellite or sub-station on Route 109.

VOTED: To accept the reports submitted under Article 1.

VOICE VOTE - UNANIMOUS

VOICE VOTE—UNANIMOUS

ARTICLE 5: Voted that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1986 in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Town Treasurer)

ARTICLE 6: Voted that the Town authorize the Selectmen to take charge of all legal proceedings for or against the Town, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Board of Selectmen)

ARTICLE 7: Voted that the Town prohibit the *sale in any manner*, of any or all real estate owned by the Town of Milford by reason of foreclosure of tax titles thereon, or any other Town owned real estate, by the Selectmen, or any other Board or Commission who may have jurisdiction over Town owned real estate, without first presenting to the Town Meeting the purpose for the sale, including the proposed selling price.

VOICE VOTE—UNANIMOUS

ARTICLE 8: Voted that the Town authorize the Board of Selectmen to expend from funds received by the Town as fines for parking violations during fiscal year 1987, such sum or sums of money as are necessary to pay the costs and expenses of collecting such fines and otherwise complying with the provisions of Section 20A of Chapter 90 of the General Laws during said fiscal year, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Board of Selectmen)

ARTICLE 9: Voted that the Town authorize the Town Treasurer and/or Tax Collector to enter into a compensating balance agreement or agreements for Fiscal Year 1986 pursuant to Chapter 44, Section 53F of the General Laws, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Town Treasurer)

ARTICLE 10: Voted that the Town establish a “Sewer Department Reserve for Equipment Replacement” account and to authorize the Town Accountant, upon the request of the Board of Sewer Commissioners, to transfer into said account at the close of the current fiscal year all funds collected as sewer use charges during said current fiscal year to the extent those funds exceed the amounts expended by said Sewer Commissioners for operating expenses in the current fiscal year; all such sums in said account to be available for expenditure by the Board of Sewer Commissioners for obtaining and installing equipment, accessories or appurtenances during the useful life of the sewage treatment plant necessary to maintain its design capacity and performance as allowed and required by federal law and regulation, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Board of Sewer Commissioners)

ARTICLE 11: Defeated.

ARTICLE 12: Voted that the Town amend the “Other Compensation and Benefits” provisions of the Personnel By-Laws of the Town by numbering the presently unnumbered introductory paragraph to the “Other Benefits and Compensation” portion as 5.01 and by re-numbering the currently numbered Section 5.01 as 5.02, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 13: Voted that the Town amend the “Other Compensation and Benefits” provisions of the Personnel By-Laws of the Town by re-numbering the current “Holidays” provision thereof as 5.03 and also by striking the current text thereof and inserting in place thereof the following:

Except as may be otherwise provided by law, those permanently employed in positions classified as full-time shall be granted off, without loss of pay, New Year’s Day, Martin Luther King Day, Washington’s Birthday, Patriots’ Day, Memorial Day, July 4, Labor Day, Veterans’ Day, Thanksgiving Day, Columbus Day, Christmas Day or the day on which the holiday is observed when such day falls within the employee’s regular schedule, provided the employee is not absent without leave on the day before or the day following the day on which the holiday is observed.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 14: Voted that the Town amend the “Other Compensation and Benefits” provisions of the Personnel By-Laws of the Town by re-numbering the current Section 5.07 and 5.07 as 5.04 and 5.05 respectively and also by numbering the Sick Leave provision thereof as 5.06 and striking the number “120” in the second sentence thereof and inserting in place thereof the number “135”, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 15: Voted that the Town amend the "Other Compensation and Benefits" provisions of the Personnel By-Laws of the Town by adding a new sub-section 3 to Section A of the Sick Leave provision as follows:

3. If a Sick Leave day is taken on the day immediately preceding or the day immediately following an employee's vacation, a holiday or a weekend, such employee's department head may require the submission of a physician's certificate of proof of illness as a pre-condition to approving payment for such sick leave.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 16: Voted that the Town amend the "Other Compensation and Benefits" provisions of the Personnel By-Laws of the Town by inserting a new section to be numbered 5.07, entitled "Maternity Leave", which section shall read in full as follows:

Maternity leave without pay may be granted for up to one year by an employee's appointing authority. Maternity leave with pay, through use of accrued sick leave, may be sought for that period of time that an employee is actually disabled from performing her duties, which is usually not more than six weeks. Requests for use of sick leave with doctor's certificate certifying disability, may be submitted when the disability occurs. Use of accrued sick leave benefits, if any, shall automatically cease after six weeks. Use of such benefits beyond such six week period may continue only upon certification of the continued disability by a doctor. The appointing authority shall be entitled to verify same through its own appointed doctor. Use of such sick leave benefits shall not affect any period of unpaid maternity leave otherwise granted.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 17: Voted that the Town amend the "Other Compensation and Benefits" provisions of the Personnel By-Laws of the Town by striking the current section entitled "Vacations" and inserting a new vacations provision numbered 5.08 which would provide in full as follows:

#### 5.08 VACATIONS

- |    |                                    |                      |
|----|------------------------------------|----------------------|
| A. | <b>Years of Continuous Service</b> | <b>Weeks Allowed</b> |
|    | after 1 year                       | 2 weeks              |
|    | after 5 years                      | 3 weeks              |
|    | after 12 years                     | 4 weeks              |
|    | after 20 years                     | 5 weeks              |
- B. The "vacation year" shall be the period January 1 through December 31. For the remainder of a calendar year following an employee's initial hiring he/she shall be deemed to accrue 1¼ vacation days per month for each month or part thereof worked. Such accrued vacation may be taken during the first full vacation year immediately following such initial hiring. Vacation eligibility shall thereafter be in accordance with the schedule set forth in A above, provided, however, that eligibility for increased vacation by

virtue of meeting a certain years in service requirement will be effective during the vacation year of the anniversary of employment, notwithstanding when said date falls. Vacation entitlement shall not be cumulative from year to year.

- C. If the provisions of this by-law relating to vacation would result in an employee, hired prior to the effective date hereof, receiving less vacation time than would be allowed under the vacation by-law provision as in effect at the time of hiring, the previous by-law provisions will continue to apply to that person until the difference in treatment no longer exists.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 18: Voted that the Town amend the "Other Compensation and Benefits" of the Personnel By-Laws of the Town by striking all previous votes relating to overtime and by inserting a new section 5.09 to provide in full as follows:

#### 5.09 OVERTIME

Employees classified as "MA", "P", "PA" or "SE-1" whose wages are stated on an annual basis and employees who are employed as Dog Officer or Assistant Dog Officer shall not be entitled to overtime compensation. All other employees shall be entitled to overtime compensation for all hours worked in excess of their normal hours of work at the rate of one and one-half (1½) times their hourly rate of pay for all such overtime, provided, however, that no such overtime compensation shall be allowed in any event unless the employees' total hours worked exceed thirty-five (35) hours in the case of clerical employees and forty (40) in the case of other employees for the week in which such overtime is sought. Department heads may require overtime compensation to be taken through compensatory time off. Such compensatory time off shall be calculated on the basis of one and one-half (1½) hours off for each hour worked overtime.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 19: Voted that the Town amend the "Other Compensation and Benefits" provisions of the Personnel By-Laws of the Town by adding a new section to be numbered 5.10 which would provide in full as follows:

#### 5.10 PERSONAL LEAVE

- A. Permanent full-time employees may be allowed two (2) days per year of personal emergency leave with pay. Such leave shall only be for compelling personal business which the employee is unable to complete outside of regular non-working hours.

- B. At least forty-eight (48) hours in advance of the day sought for leave, application for such leave shall be made to the employees department head detailing the reason for the leave and the reason why the event for which the leave is sought could not have been scheduled on non-working time. If less than forty-eight (48) hours notice is given, an explanation must be given for not meeting the time requirement. The department head may deny such leave if the event for which the leave is sought could have been scheduled on non-working time.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Personnel Board)

ARTICLE 20: Voted that the Town amend Article 9 of the General By-Laws of the Town by adding a new Section 6 thereto as follows:

Section 6 (Purchase Orders). No bill or invoice to pay for the purchase of goods or services in the amount of \$100.00 or more shall be approved by the Town Accountant unless a purchase order shall have been issued therefor by the department head, board, commission or agency seeking to make such purchase. The form and information content of such purchase order form shall be approved by the Town Accountant.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Town Accountant/Board of Selectmen)

ARTICLE 21: Voted that the Town accept Professional Development Grants provided by the Commonwealth in amounts totalling \$67,345 which will be expended by the Blackstone Valley Vocational Regional School District Committee for supplementing teacher salaries by June 30, 1988, as provided by Section 13, Chapter 188 of the Acts of 1985, or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Blackstone Valley Regional

ARTICLE 23: Voted that the Town amend Article 11 of the General By-Laws of the Town by striking Section 2 thereof and inserting a new Section 2 as follows:

Section 2. (Transient Vendors)

- a) For purposes of this Article, the term "transient vendor" shall mean any person, either principal or agent, who engages in a temporary or transient business involving the exhibition and sale of goods, wares, or merchandise which is carried on in any tent, booth, building or other structure, unless such place is open for business during usual business hours for a period of at least twelve consecutive months.
- b) Every transient vendor before making sales of merchandise in this Town, shall be required to make application to the Police Department stating the names and residences of the owners or parties in whose interest said business is to be conducted, and that upon Police Department approval said transient vendor shall apply to the Board of Selectmen and file with them a true statement, under oath, of the average quantity and value of the stock of merchandise kept by him for sale. Said Selectmen shall then submit this statement to the Assessors of the Town of Milford for examination or inquiry. Thereupon the Selectmen shall authorize the Town Clerk, upon payment to the Town of Milford by the applicant of a fee equal to the taxes assessable under the last preceding tax levy, to issue a license for sale of such merchandise.
- c) This by-law shall specifically exclude permanently located seasonal business normally assessed and taxed by the Town of Milford.

or take any other action in relation thereto.

VOICE VOTE—UNANIMOUS

(Town Clerk)

ARTICLE 31: Voted that the Town accept Section 57 of Chapter 40 of the General Laws, as added by Chapter 640 of the Acts of 1985, which statute provides that a Town accepting same may, by by-law, deny any application for, or revoke or suspend, any local license or permit including renewals or transfers issued by any board, officer, department for any person, corporation or business enterprise who has neglected or refused to pay any local taxes, fees, assessments or any other municipal charges; and further, in accordance with said statute, to amend the General By-Laws of the Town by adding a new Article 26 to provide in full as follows:

Section 1. The tax collector or other municipal official responsible for records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the tax collector, shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

Section 2. The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers, of any party whose name appears on said list furnished to the licensing authority from the tax collector; provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension, shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the license authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality at the date of issuance of said certificate.

Section 3. Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.

Section 4. The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in section one of chapter two hundred and sixty-eight in the business or activity conducted in or on said property.

or take any other action in relation thereto.
